

The Almond Glen Community Group

The Almond Glen Oil Club

Cheaper Oil - join today

- Do you run an OIL BOILER or AGA?
- Do you get the feeling that you could knock the price down a bit more?
- Together we can.....

HOW IT WORKS

Four or five times a year the COORDINATOR (Anthony) invites all members for their order. There is no obligation to place an order but usually if an order is placed there is a minimum quantity of 500/600 litres. The Coordinator then does a phone round to locate the most competitive supplier. A collective order is then placed by the Coordinator passing on delivery details - quantity, name, address, contact number. The SUPPLIER then contacts club members directly for bank or credit card details. The Coordinator never keeps bank details - only your email address. You pay the supplier, not the coordinator.

THERE ARE NO OTHER CHARGES.

If this sounds like a good idea then please register your interest to:
